First steps to search for books and papers

We will explain how to search for books and papers using tools available at the University of Tokyo, and how to obtain the materials you find. There will also be time for questions and answers. This will be a hands-on session where you will be able to use the tools along with the explanation, but you can also just watch and participate.

4/15 (Wed.) 11:00-11:50

This seminar will be conducted in English.

●Contents

- About the University of Tokyo Library and its website
- How to use databases from off-campus
- Accessing articles in the bibliography: TREE
- Finding books: University of Tokyo OPAC
